

NEW YORK INSTITUTE OF TECHNOLOGY

To: Perkins Loan Borrowers

Your Federal Perkins Loan lender is New York Institute of Technology. NYIT has contracted the services of ACS to act as its billing agent and receiver of all payments. Your account will be transmitted to ACS and all transactions dealing with bills or payments should be handled directly with the company. ACS is not a collection agency, it is a billing agency. The transmittal of your account is in no way an implication that your payment record is poor or that your credit is in jeopardy.

You can contact ACS at: ACS
 2505 South Finley Road
 Lombard, IL 60148-4899
 Phone: 800.826.4470

Please keep this address and phone number for your records

It is your obligation to make your payments with ACS on time each month and to keep the company informed of any change in your name, address, phone number or status. Once you have entered repayment and feel that you are entitled to a deferment or cancellation of payment according to regulations, you must request deferral or cancellation forms each year directly from ACS.
